## **Annual EEO Public File Report** Reporting Period: August 1, 2012 – July 31, 2013

The purpose of this EEO Public File Report ("Report") is to comply with Section 73.2080(c)(6) of the FCC's 2002 EEO Rule. This Report has been prepared on behalf of the Stations Employment Unit that is comprised of the following station: <u>WHBF</u> and is required to be placed in the public inspection files of these station, and posted on their web site.

This Report covers the time period of <u>August 1, 2012</u> through <u>July 31, 2013</u> (the "Applicable Period").

The FCC's 2002 EEO Rule requires that this Report contain the following information:

- 1. A list of all full-time vacancies filled by the Station comprising the Station Employment Unit during the Applicable Period;
- 2. For each such vacancy, the recruitment resource(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification pursuant to Section 73.2080(c)(1)(ii) of the new EEO Rule, which should be separately identified), identified by name, address, contact person and telephone number;
- 3. The recruitment source that referred the hiree for each full-time vacancy during the Applicable Period;
- 4. Data reflecting the total number of persons interviewed for full-time vacancies during the Applicable Period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and
- 5. A list and brief description of the initiatives undertaken pursuant to Section 73.2080(c)(2) of the FCC rules.

The attached Appendices 1, 2, and 3 have been designed, in the aggregate, to provide the required information. Please note that the numbers listed in Appendix 2 under the column entitled "Full-time Positions for Which This Source Was Utilized" refer to the number assigned to the full-time job positions listed in Appendix 1.

For purposes of this Report, a vacancy was deemed "filled" not when the offer was extended but when the hiree accepted the job offer. A person was deemed "interviewed" whether he or she was interviewed in person, over the telephone or by e-mail.

#### Notes:

- An asterisk (\*) indicates sources that are entitled to vacancy notification.
- Italicized sources indicate job banks and Internet programs to which WHBF contributes. These sources are designed to promote outreach generally, not primarily directed to providing notification of specific job vacancies.

### **Annual EEO Public File Report**

Reporting Period: August 1, 2012 – July 31, 2013

Station(s) in Station Employment Unit: WHBF

#### **Appendix 3: Outreach Initiatives**

#### 1. Internship Program:

Through the years, WHBF has been involved in helping members of the community achieve their educational goals. WHBF recruits students interested in the broadcast industry by widely advertising our internship programs at career fairs and by educating managers to mention this opportunity when speaking with members of the community. Letters of Agreement are filled out by the prospective intern and approved by a professor of the university and an evaluation is performed at the end of the intern's term. WHBF also lists internship openings with various universities and free publications. During this reporting period, WHBF has had four interns.

#### 2. EEO Training:

- a) Equal Employment Opportunity Meetings are held periodically to educate department heads regarding their roles and responsibilities in the EEO process and to ensure that all departments are hiring and promoting in a non-discriminatory fashion. We require all managers with hiring authority to participate in these meetings and in discussions regarding upcoming job fairs and other recruitment activities. Minutes of these meetings are kept in the business office's EEO file.
- b) Local law firm hosted a seminar on Employment Law, with an emphasis on social media, on February 21, 2013. WHBF was represented by the station Business Manager. The Director of the Iowa Civil Rights Commission discussed EEO initiatives and what types of activity can be considered an EEO violation. They performed statistical analysis to see how EEO complaints are changing, year to year. Their goal is to keep these complaints at a minimum and to find ways how to streamline processes and procedures. Went over the process of what happens in an EEO case. Lane & Waterman discussed social media conduct and gave a few example cases.
- c) Department managers participated in a satellite seminar from Noll Media regarding Hiring and Onboarding Responsibility. Managers learned good tactics for hiring and retaining employees.

#### 3. Job Bank & Internet Program Participation:

WHBF participates in job banks and internet programs with many organizations, as outlined above in italics, including the Illinois Broadcaster's Assoc., Drake University Job Bank, IA Workforce Development, IL Dept. of Employment Security, Skills Incorporated, etc. These organizations have programs designed for outreach generally, and are not primarily

directed to providing notification of specific job vacancies. (See italicized sources on above recruitment list.)

#### 4. Participation in Career Fairs:

- a) Business Manager and Business Assistant attended career fair at local university (Augustana) on 9/18/2012. Displayed job openings for a Multi-Channel Account Exec and a Weekend Anchor. Also displayed internship opportunities and there was a lot of interest in those.
- b) Business Manager and Business Manager from WOI, attended career fair at University of Iowa on 9/20/12. Displayed job openings for a Multi-Channel Account Exec and a Weekend Anchor. Also displayed internship opportunities and there was a lot of interest in them.
- c) Business Manager and Business Assistant attended career fair at local university (St. Ambrose) on 3/19/13. Displayed internship opportunities and there were many students interested in the various opportunities in our different departments (mainly promotions, sales and news).
- d) Business Manger posted open positions (Weekend Sports Anchor) and internship opportunities to University of Iowa's virtual career fair which runs 4/3/13 4/12/13. Students will be able to view ads and apply online.

#### 5. Disseminating Information as to Employment Opportunities in Broadcasting:

WHBF created a television spot which airs approximately every day on different day parts. The spot: 1) invites organizations that distribute information about employment opportunities to contact WHBF to be added to our mailing list and 2) informs job seekers to check WHBF's website for postings of current openings. The spot confirms that WHBF is an Equal Opportunity Employer.

# **6.** Participation in Career Opportunity Programs Sponsored by Educational Institutions: (For all station tours, the many different jobs within the station are explained)

- a) 12/7/2012 Job shadow, student from Pleasant Valley High School shadowed our Sports Director to see how he does his job and learn the different requirements involved. Student expressed interest in becoming a sports reporter.
- b) 3/19/2013 Station tour, Big Brothers Big Sisters of the Quad Cities. As part of their career navigator event, our Operations Manager walked the 'bigs' and 'littles' through the building, explaining what each department does, what education is required for the different positions and how the station works together. They watched the 5p newscast so they could see how the newscast comes together. Concluded with Q&A session.
